

Merry Christmas and Happy New Year

From Göran Duveskog

2010 has soon passed and gave us many highlights.

[In January Birger Skoglund and myself went to Congo and Rwanda for crusades and seminars.](#)

In Uvira, Congo we came to know that the crusade was held close to a place where a Swedish missionary died as a martyr many years ago. Now it was time for reaping. How true it is. One sows another reap.

It was a very powerful crusade with many people saved and healed. We cannot forget the testimony from a woman who got her blind eye open. Last night I was preaching about the second coming of Christ, and the revival was great and many people were running to Jesus that night.

In Rwanda the seminar was held in a big church close to the land where our mission is building a big Cathedral, able to accommodate around 1000 person. (In March Kjell Halvorsen and Curt Johansson are participating in a dedication) It was a blessed visit and the work has good unity.

[Another highlight was our mission trip to Poltava in September.](#)

Dimitri and Natasha had done great preparation. The church was over crowded, and many people got saved. It was wonderful to see the new church building used for this conference. We also met many disabled people whom our mission is able to help. I can't forget the old man who came with tears and expressed his gratitude to the mission.

[This year I have led 4 blessed "Bible tours" to Israel.](#)

In the last one we had 110 people and it turned out to be like a bible conference in the Holy Land. Some were baptized in the Holy Spirit on the upper room, others were saved at the Garden Tomb and few were baptized in river Jordan. In one of the tours a newly saved catholic woman saw a vision of Jesus and heard him say, "behold I am coming soon". In February I will visit Israel together with my wife and 100 delegates, and it will be my 100-jubilee tour.

[Christmas time is wonderful.](#) The light from Bethlehem gives hope to millions, and the great message of Christmas has inspired preachers, songwriters and millions of Christians throughout the history. Jesus is truly "the reason for the season". In our family we celebrate

the Christmas Eve together with my brother David's family and the family of my wife's brother Jan Erik.

I am grandfather now, my grandchild Alex is just wonderful and gives booth grandmother and grandfather so much joy.

My son Tony (Alex father) works also with me and Carin in our "Travel agency", and it is a great blessing to have him with us. He and his wife are expecting another baby in February. Our son Tobias is still single. We thank you all our dear friends for your prayer for my wife, our ministry, our family and me.

In the end of January Birger Skoglund and myself are visiting Nepal and Philippines. We are going to participate in conferences and crusades. Pls pray for that important mission trip.

May God bless you all and merry Christmas and Happy New Year from

Göran & Carin Duveskog
