

Report from tour to India 13 -26 of Feb 2011

DAVID DUVESKOG AND A TEAM OF 24 PEOPLE

We are celebrating 30 years of cooperation with our India partner IPA/BFT. In fact it started already back in 1979 when Göran and Per-Arne Evensen visited India for the first time.

But the start of the bible school which is the backbone in all churchwork started 1981.

We are now touring around with a group of 24 people and in every place we can witness an enormous growth as a result of this wonderful cooperation.

Meeting children who have got a new chance in life through the work aswell as finding churches growing fast is making me to almost weep of gladness.

The family of Prakasam with all wonderful coworkers have given their life to change the whole nation. May God bless them.

As a group we have also had the chance to have few days of relax just to enjoy the land of beauty. We have travelled on the Backwaters of Kerala and are now a couple of days at the beach in Goa.

Pray for India, because in a nation with 1,3 billions so many are still waiting to hear the good news of Jesus Christ.

Yours in Christ,

David Duveskog
